Sociology. In the sociology of knowledge, a controversy over the boundaries of autonomy inhibited analysis of any concept beyond relative autonomy, until a typology of autonomy was created and developed within science and technology studies. According to it, the institution of science's existing autonomy is "reflexive autonomy": actors and structures within the scientific field are able to ...

Art Pappas had an extensive, international career in the pharma industry before going on to form his eponymous VC firm in the 90s. Pappas Ventures has been partnering with pharma ever since: licensing assets from them, selling portfolio companies to them, syndicating with them, and managing venture funds for them. But perhaps most notable is the list of pharma and strategic limited partners ...
