CH Men was presented in 2009 as a modern companion to edition CH Women from 2007. The concept of the fragrance is "unity of the opposites," intertwined elegance and eccentricity. Top notes incorporate luminous bergamot and grapefruit skin, adding a spicy heart full of saffron and nutmeg blended with woody notes, jasmine and violet.

Chiropractic is a form of alternative medicine mostly concerned with the diagnosis and treatment of mechanical disorders of the musculoskeletal system, especially the spine. Some proponents, especially those in the field's early history, have claimed that such disorders affect general health via the nervous system, through vertebral subluxation, claims which are not based on scientific evidence.
